“ *Decie C. Clark*

“ *Decie and I were good friends when I was a teenager/young adult. She already had her seven kids and she told me once she liked hanging with me because she never got to experience her teenage years. She was one of a kind believe me! I remember once she pulled up at my house right when the garbage man was whistling to move on to next house (that's when they still had a guy on the back lifting the cans). Anyway she comes be-bopping into my house laughing and saying "that guy just whistled at me!" She was fun. She loved the Lord. She was a great friend and stood with me in a hard season of my life. I regret we did not keep in touch more in later years. I love her.*

“ *Sis. Clark was such a wonderful woman who I remember fondly. She played the piano at my church (Faith Temple) and was the choir leader there. She always had a nice word for me and made sure I paid attention! Prayers for her family and comfort for them as well. I'm sure she's up there with Jesus now having a great time.*
