“ *Me and my husband shared grandchildren Alyssa, and Dustin May and great grandson Noah James.*

Ann was a beautiful soul and so kind. She loved her kids and grandkids more than anything.

Alyssa and Dustin lived with Ann when they were very young. We got them every other weekend. If there was anything special going on and we needed to trade week ends there was never a problem.

We loved Ann. She was family to us.

We love you, you will always be in my heart. I love you so much, you have been like a sister to me. I can still see you standing by my side at the Calera baptist church, in 1967 when I married into the family. And you continued to stand by my side no matter what I had to go through. All though my heart is breaking because you are gone, I know you are not in pain anymore, no more tears, no more worries, only peace and love surrounds you. You are in Jesus care now. At last you are home with your Dad and Mom. Enjoy your beautiful life in heaven, you deserve every moment of it. We will be together again soon. Your sister Betty Hammond.
