“ I love you Granny. I miss you dearly. The last time I was able to hold a conversation with you was when I drove to Boswell and picked you and Aunt Vivian up and took her to the doctor. You were with us. I dropped her off at the hospital in Oklahoma City and took you out to eat. I asked you what it was like when you first married grandpa and you started laughing. You said you were just a silly little girl. You said Grandpa didn't have much but you didn't care. You told me that you were happy being with him but it was hard. I will never forget that day. I love you granny.
