I knew Denisha as a young girl in South Fork, Colorado. Shanda and I played on the same baseball team – she at short stop and I at 2nd base. I remember Denisha as a firecracker – she was ready to do and take on anything, usually with a grin. I am so, so sorry for your loss and am praying God wraps you all up in His Comfort, His Kindness and His Love while you grieve and heal. May you feel peace in your souls and serenity in your spirits. God bless. – Tara (Donner) Benson

“ *My first day in a new school and a new town I walked into Mrs. Golden's 3rd grade class. There she was with her little light blue cardigan, blonde messy hair and a smile. That day we became best friends. I feel so lucky that you and I became friends. My heart is broken. I am going to miss your feisty, no BS attitude. My heart goes out to your girls, your Mom, Shanda Speer-Smith, Scrubber, Deeshelly Rae Speer. You all are in my thoughts! Sending lots of love to all! 💕💕*
