Dennis F. McWilliams, age 76, of Mead, Oklahoma passed from this life on Monday, March 4, 2024. Dennis was born Monday, September 1, 1947 in Durant, Oklahoma to Hubert McWilliams and Pauline (Everett) McWilliams.

Dennis was raised in Bryan County, attending schools at Achille and Durant. He served in the United States Army for 3 years during the Viet Nam campaign. He married his sweetheart, Dona Green, on September 22, 1978 in Santa Maria, California. Dennis worked as a machinist owning a semi-conductor business, Crystal Dynamics, for 20 years. He was involved with the Red River and Little Dixie Bass Clubs, and the Vietnam Veterans of America. Dennis loved to fish, fish, fish...and a little gambling. He made many memories fishing with his grandkids. Dennis and Dona are of the Baptist faith.

Dennis was preceded in death by his parents; a son, Kenneth; a brother, Coy McWilliams; and his grandparents.

He leaves behind his loving wife, Dona, of Mead; a son, Mickey Pratt and his wife, Ladonna, of Stillwater, Oklahoma; daughter, Sherri White of Mead; brother, Tommy McWilliams and his wife, Linda, of Bennington; and his grandkids Ashley, Michael, Kenny, Kinsley, Jeremy, Jordan, Kaylee, and Jessie.

Dennis was so very proud of his children and grandchildren and was a unique soul, who brought laughter to everyone. His wife, son, daughter, grandchildren, brother, cousins, and special friends will miss him dearly, but hope he has found peace and tranquility. We know he will rejoice to be reunited with his son, Kenny, and hope there are a lot of lakes in Heaven as they will be fishing every one of them!

I remember when we were kids and going to visit during the summer to Aunt Pauline's and Uncle Hubert house. Papa was there also. Dennis was the oldest and he had many dates. I can just see him now combing his hair trying to get it just right. He was always debonair and cool to me because he dressed so nice. Of course I never got to go with him he left me and Deb with Coy and Tommy. Later after we all grew up Dennis was still a cool dude! We always had a laugh with him and I loved his laugh! Dennis I will miss you so very much! Love you cuz and keep catching fish for our greatest reunion some day!❤️❤️❤️

“ Dennis was a good friend. I've known the McWilliams family going all the way back to his graddad Jerry McWilliams. My dad and Jerry were good friends back many years ago. My dad leased the McWilliams place, which was south of Cypress on the bayou and joined our property, from Jerry for many years. Prayers for Dennis' family.

“ Dennis was always busy doing something even when he was just sitting with a map of a lake he was going to fish. He was so talented in carpentry and drawing up plans of something he wanted to build. He loved to take trips with his Cruzin Cousin. He will be missed by so many family and friends.
