“ You will be greatly missed by so many. Some that you have not been close to in years feel the pain. I will cherish knowing you and the memories. You and Alan raised two amazing young ladies that I see so much of you in them. Your smile and strength will live on through them. Paula and Jaime, I cannot imagine the amount of pain you are in but know that your mom would want you both to go on and continue to be the strong, successful and loving daughters she raised. Love you both and please know you are not alone. Rest in peace my friend and may that twinkle in your eyes shine bright over us all.
