“ *You will be missed my friend, dont know who I will talk about Zelda with. I remember you lending me your Harry Potter books so I could read them and was shocked when I brought them back the same condition you lend them to me. You helped me with my Comp 1 research paper and made a B on it and I was so proud that I told you about it. I will miss you dearly and will see yall again soon.*

*Love,
Daniel*
