“ *Donna Kay you were a great friend of mine. Every time we spent time together it was full of laughs and fun. Most laughs were of ourselves. May your family be comforted by God and may you rest with him. I love you and will think of you often. Much love.*

“ My Momma lost her battle after so many years of up an downs and fighting for life. I will always love and miss you more than words could ever explain! I miss you momma! You are at peace now, no more pain, you can walk/run go where ever you want, you can talk and everyone will understand you. No more trips to the emergency room and endless stays in the hospital. You are happy now I can't be mad at that. I want you here, but your happy and painless now so I can't be selfish. I love you Momma. I won't say goodbye because I'll see you again!!

DK you were like a daughter and friend to me. I will always remember the good times we had. The time you me and Chris came home, a little too loud and Bubba said we sounded like a blanking herd of elephants. Or how many times you came in told me to "move over"? Bubba got use to that one. You will always be in my heart.
