“ *I am deeply sorry to hear about the loss of your dear loved one. May you find comfort in knowing that when God restores paradise to the earth, he will undo all cause for suffering (Psalms 37:9-11,29) our tears of sadness will become tears of great joy.*

Our thoughts and deepest sympathy are with you all during this time. I will always remember Donnie as a very small boy with a ready smile and never complaining; such a gentle soul.

“ Donnie-

My eyes filled up with tears as I heard the news

It never occurred to me, how much I could lose

I find myself wishing that it wasn't real

Every time I think about it, pain is all I can feel

Tears fall from my eyes, I can barely see

But my heart tells me that he'll always be with me

Im glad he feels no pain now-he lives in a perfect land

I can still feel the soft touch on my shoulder of his loving hand

I lie in bed and cry

And I will love and miss you forever

Until the day we are again together.

Together in that perfect place above,

Filled with caring, sharing and love

But until that day comes- I will wipe my tears away.

And hopefully see you again someday

RIP My Dear Cousin!
