“ *Doretha was my husband Monty and my neighbor in Calera early in our marriage in the early and mid 90s. She is who found us the house next door to her to rent. She brought her rainbow vac over and worked so hard helping me clean the house before we moved in. She was always feisty and full of energy. I remember her being the Vacation Bible School director at our church. I also remember her bringing a baby gift over when our first son was born in 1994. She was a very hard worker, her house was always very tidy, and she was good at decorating. I haven't seen her in a number of years, but am sorry to hear of her passing.*
