“ Elaine and I were friends since I was 15 and she was 12. We had a long friendship over the years. She was my maid of honor and Kaitlyn was the best man when Ken and I married we grew up dating together even lived in California together. it's been a long road. Some of it was rocky when she lost her soulmate but then she found another good man Edd Golden he fit right in the family and was a good father to CARLA and Kevin then come miss Edie. There's lots of good memories with this friendship, and I can only hope that God will grant the peace that they all need at this time. At least she's in a place that she's not hurting anymore. May God bless all of you and I send my love from the Peppers family to the Davis and Golden family. We love you.

“ So sorry to learn of Elaine's passing. I know she always looked forward to heavenly reunions with her loved ones and friends, but I also know this leaves a huge hole in the hearts of those of us whose lives she touched that are now left here. I always thought she was such a beautiful lady when we were in church together. Edie and Kevin, your mom was special and someone I respected and looked to as an example. I Oray that God will grant you and your families His peace and comfort through the rest of your lives without her.

It is with great sadness that we say so long to our Aunt Lanie our Dads' youngest sister. The Rochelle family is such a close family that we really feel for each other because a loss for one of us is a loss for all. Lanie loved the family and we loved her. Carla, Kevin and and Edie we are here for you! 💕 Know that her brothers and sisters will be welcoming her in heaven ✨
