Tribute Wall

“ You are an everlasting impact. You're my blood. You're an angel singing in the back of my mind. Your entire being led me to be who I am now. I truly believe you were a pure soul in a world that needed your light. I think of you everytime I pick up a guitar or listen to an old song. You're my very favorite Grandmother. And your memory will always be spread in stories, with love, by me.

I miss you and I love you,

Your grandson.
