“ *Aunt Dot where do I begin. She was a very loving Aunt, but we also knew better than to push her. Like my Memaw Ethel she would whip you in an instant. Lol the memories I have. To Aunt Dot my Dad was Corkey... because he was as aunery as they come she would say. Quite a corker. I spent many years of my childhood camping and fishing and visiting. Many fond memories. I know they are having a big reunion up there in heaven. And watching over each of us down here. RIP Aunt Dot give everyone my love.*
