“ *My Grandson, Bobby, was a client of Miss LaVonna for the final two years before her retirement. We loved her so much. She was a God send to our family, helping us understand how best to deal with Bobby's many issues and helping Bobby to understand himself and how best to overcome and work around those issues. She gave herself to all of her clients selflessly and we who have been blessed to know her have lost a shining star. Bobby was devastated to hear she was retiring and in true Bobby fashion he told her "I'm going to miss you. I've grown very fond of you." We love you Miss LaVonna. You will forever live in the hearts and minds of the lives you touched.*
