“ Hugs and prayers have been sent to Dusty's family with faith that He will see them through this painful time. Special thoughts go to his parents, Coyote and Pat, knowing that they're grief-stricken and in pain. We wish them the consolation in knowing that God has welcomed Dusty with open arms and will take care of him always. Johnny had worried since learning of the cancer diagnosis that he'd never gotten to meet him but the picture here shows him looking like a big loveable teddy bear. May he R.I.P.
