*Eddie Ray, It's been many years since we met and became friends.. You were serving your country, and we met at Long Beach Support Facility.. We lost touch as you followed your Naval service, but I always remembered what nice young man you were.. I'm so saddened to hear of your passing, but know you are resting in peace and comfort in God's arms.. You have a beautiful family, and the tribute they made in your honor and memory was SO Beautiful.. Maybe someday we'll meet again, but until then, make sure you keep the gardens up in heaven as beautiful as you did the gardens here on earth.. I will gladly help you, as my truest love and passion, was also in gardening.. Giving others their own Gorgeous slice of paradise, here on earth.. You may no longer walk the face of this earth in person, but your beautiful energy, will always be here in our hearts .. Friends forever...*
