“ My prayers go out to the whole Family. It hasn't been long that we were in your shoes. I want you all to know I haven't been able to come to Oklahoma in along while, when I did and got to visit with Gayline it was always a wonderful time. When we were kids her, Ginny and I would act so goofy and laugh. That's what I remember most about her, laughing and being so nice and Always a smile on her face. As a child I was around her a lot and as so often it happens as we grew up and went our own life's we only got to see each other rarely. But I have always thought of her and her smile and us being silly. But I'll always have her in my heart. That's something that her going home ahead of us can't take away is her memory in our hearts.

I want your Whole Family to know y'all are in our prayers and we love every one of you.
