“ There are no words to describe how much Edie has meant to me over the years I've had the blessing of having her as a friend. I met her in college when she became a Sigma Kappa and I have enjoyed her as a person, sister and dear friend. We lst touch for a few years, but God blessed me and put Edie back into my life again. We have laughed and cried together. She gave me a place to call home when I visited Durant over the past few years. I loved and will always love my dear friend. My prayers are with her family in this time of sorrow. May God wrap his arms around you all and give you comfort and peace. Heaven must have needed a special angel and now they have our Edie. Rest in peace my sweet sister and friend.
