“ *I really wish someone had let us know of yours and Buds passing. Vincent and Thomas wished that they could have been in your lives more. They tried and failed to locate you in St. Joseph. We were unaware that you had relocated to Oklahoma. You both will truly be missed. If only you and we had had more time. We loved you Edna. And we still do.*

“ *I am Edward Cook's oldest daughter and although I never had the chance to meet Mrs. Edna I did think of her often & periodically google her name & check on her through on social media and through her ebay. I am saddened to learn of her passing (especially so soon after Bud's passing) if it were not for Mr. Bud then I would have never connected with my father, Edward. Your family has my thoughts and prayers. May Edna & Bud rest in peace and love always!*
