“ *Dear Lori and Albert,*

As I read the Guest Book entries, I heard all the wonderful qualities in Ella that I saw. Her strength, her love, her smile, her joy and her laughter. In it all I remembered her quite inner peace that came only from her faith in her God. I know you will miss her, but I know where she is today. Have faith and have joy in knowing who her eyes have seen, 'Her Savior', who she has served for so long. Love you all
