

## Ellen Ann Wells

January 10, 1952 - June 15, 2025

Ellen Ann Wells, age 73, entered into eternal rest on June 15, 2025. Ellen was born on January 10, 1952, to Jack and Elizabeth Wells in Cambridge, New York. She was a resident of Durant, OK.

Ellen is preceded in death by her parents Jack Munroe Wells and Elizabeth Norman Wells and her brother John Wells.

Left to cherish her memories are her loving son Ethan Prus of Durant. Her siblings include her sisters Jean White of Warsaw, NY and Wendy Tuthill and husband Terry of Ridgefield, CT, and her brothers Douglas Wells of Cohoes, NY, Andrew Wells of Moses Lake, WA, Christopher Wells of Fort Mill, SC, and Peter Wells and wife Shelia of Moses Lake, WA. And of course, her cats Bug and Bean.

Ellen loved elephants and babies and mysteries. Her laugh was contagious and she was friendly with everyone. Integrity was important to her and something she effortlessly inspired in others. She was a great listener and a creative problem-solver. Her talent for motherhood was something she was pleasantly surprised by and very proud of. Her cats were happily spoiled and they would probably say her son was spoiled as well. She was supportive and generous, forgivably forgetful, but more than anything, she was kind.

Exceptionally kind. Kind just for the sake of it and because she thought that should be the standard.
