“ The pain we feel when losing a loved one, is usually hard to handle. But knowing Emmitt Self you know that is something he would not want for anyone to suffer pain on his behalf. Emmitt or Tommy as I know him is still with us very much here. I see his smile, he gave in each one of his children, the DEVOTED love he gave to his wife, and the stories he patiently was finally able to tell. My memory I will carry for the rest of my life is the powerful love he gave to everyone. If you were to look love up in the dictionary, Emmitt Self should be there. Well soldier in Christ, my friend I will miss you. Thanks for your service on earth. I will see you on the other side I know you will be there waiting. aka Tommy, aka dad peace out. Love one of your adopted ones. Leeann Hunter

I want to say thank you to very good dear friends of mine Leeann, Eddie, and son Cash. For being blessed into their home when my father was at his worst. Their son gave up his room so my dad could recover, because he would not have been able to get up and down or off his own bed. Thank you Leeann and Eddie for opening up your home to me and my family. My dad grew really fond of you and your family like he had known all your lives.
