“ Emma you were the matriarch of the family. You loved your family and it showed. I was honored to be your daughter in law and learned a lot from you. I learned how to make Spanish rice and so much more. I loved listening to you sing and the smile it brought to your face to sing about Jesus. Your beautiful smile would light up a room. You loved your family and it showed. I remember driving up to the house one weekend and you were out in the chicken pin with your army boots on and Joshua and Steven laughing that their grandma had on army boots. So many memories and so much love.

To the family I pray that you all with find peace and comfort in this time share your memories and love. I love each and everyone of you.

“ One of my memories of mom was when she fell out of bed and I Thought she was hurt, but she was laughing so hard I started laughing and I couldn't get her out of floor because I got a catch in my back and we just laid there for a while Laughing and she said I'm 88 years old and this is the first time in my life I have ever fallen out of bed. I had a hard time getting her back in bed because she wouldn't stop giggling. Her giggle is contagious. I will never forget it. Mom, I love you little, I Love you BIG, I love you like a little pig, RIP MOM I love you!
