“ *To the family of Emry, especially his parents, I am deeply sorry for the great loss you must be feeling. No parent should ever have to go through the pain of losing a child. I did not know the circumstances surrounding his death but all the same, am so sorry that he passed away so soon. Please accept my most sincere condolences. Something that has gotten me through during times of grief are the words of Revelation 21:4 where it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." What a beautiful time that will be when we no longer have to lose our loved ones to death. I will keep the family in my prayers.*
