This candle reminded us of Eve and the song "This little light of mine". Eve was a great neighbor. Every time we saw her outside, we visited and she always had a smile on her face. Rest in peace Eve.

“ I loved Eve! She always made me smile no matter the circumstance. We even went on our first double date together! Even though we hadn't seen each other in years, we did reconnect on Facebook. She will really be missed

“ I worked with Eve for many years at WinStar. We have so many memories together as supervisors. I hardly ever saw Eve mad, but this one particular day, she was mad as a wet hen. I laugh cause she was just furious mad and her being mad was funny. Eve was an amazing person very patient and friendly with everyone. She will be greatly missed, however she is no longer in pain or having to deal with the ruthless of this world. Eve you will be missed.
