“ We met Fay when she & Mike moved back here from Houston. Her daughter, Kay, had married Rick who was my husband's nephew. We went to church together for several years & had many domino games & pot luck meals. Fay was always a big part of every event & they shared their home for many of those. Since we were part of Rick & Kay's Family, we got to know & enjoy all of Fay & Mike's too. Many good memories to cherish. Wishing the Family comfort & peace in these trying days.
