“ *Donald, I'm so sorry for the passing of your father. He was always so nice to me from when we were kids in middle school up until my adulthood as his patient. I remember him letting us use his red porsche for Homecoming. Boy, that was many years ago! My heart goes out to you and your entire family. I apologize for not being able to attend the funeral but I don't do social media and didn't know until last night of his passing. I hope to see you and Shirley soon - our 35th is coming up so maybe then. Take Care and Love ya! Tootie*
