“ *I am honored to say I had Frank as my grandpa, being the oldest granddaughter I take pride in being able to spend the most time with him. He was so funny I've never met anyone in my life that was as happy and laughing all the time like he was. I remember when I was little I was convinced he was Santa Claus. I'll always love the Dallas Cowboys because of him, that was his team & my mom and I always looked forward to watching the games with him. I miss him so much and will never forget him. I know he isn't in pain anymore and is happy laughing and watching Dallas play on Sundays. Grandpa I love you so much and I am so happy we got to spend time together on the farm. I will miss you forever! I love you!*

“ Frank and I played football together in high school. He was good. We took two auto trips together one to Colorado and one to California. Great memories! Our mothers were also high school classmates.

“ I have many wonderful memories from my childhood that include Frank. Hunting, fishing, and camping on your farm near Caldwell was a wonderful part of growing up around you. You are all in our prayers.
