“ Gary was one-of-a-kind. As a young boy he handled the chores of a man on the farm.

He worked so hard and yet always had time to share a smile or a laugh with all of us. I'll always remember his gentle ways, the kindness he always showed me and others, and the way he laughed and played jokes with all of us as kids. Fishing and hunting was something he really loved as he was growing up, and as cousins, we were blessed to have shared some of those wonderful carefree days with Gary. Until we meet again, I will hold him in my heart! Love, Donna
