“ I'm sorry to hear of Gary's passing. I knew Gary in the early '80's in the oilfield. I stopped in Tishomingo late 99 or 2000 and had a great conversation catching up with Gary. He was a good friend and a proud follower of Jesus.

“ I loved Gary and am saddened by his passing. Gary did a youth revival at a church I served in several years ago. He preaching was simple and understandable. I never saw a more effective evangelist and I believe there will be many who will be in heaven due to his ministry. Thanks Gary and his family for sharing. Mike Patrick, OKC.

“ I am terribly saddened by this news. I was a kid when Gary impacted my life and I have always said, that through all the years, he has always been my absolute favorite preacher. In August 1994 he was doing a revival in Coalgate, and he came to pick me up for church on my 13th birthday. Church camp I always got him a chick-o-stick before nightly church as did many of the kids did. Gary made us kids want to go to tabernacle and he made learning about Jesus fun and interesting! He was an amazing preacher and man of God that I know touched alot of people's lives, mine being one of them, and I will forever be thankful. I wish I had kept in touch. Prayers and thoughts for the family, friends and many others that were touched by Gary! Thanks to him i know i will see him again one day!

“ I only knew you for a short while. I saw God use you in ways I haven't seen since. You made a difference in my life. We lost touch in the middle 90's, I know there were some changes for you, I know religious people ruined your ministry. But they cannot take away the countless lives your ministry changed. Miss you. Haven't seen you in decades. Tears anyway, but not the kind without hope.
