“ I have known George for about 7 years. I operate the scale house for S.O.R.D. and would see George almost every day. I always enjoyed his smile and he always had a nice thing to say or would tell me a funny story. I am going to miss him every day and I will be reminded of him each time a City of Durant truck pulls onto the scales. He called me "little 'un". God Bless you George. I hope to see you again one day.
