“ *I am sorry for the loss to your family and for the struggle Wendell went through. I had known Wendell since we were fraternity brothers in high school. He asked me to join a friday lunch group several years ago and was able to see him quite often. Another old friend from high school, Bob Tway, asked that I pay his respects for Wendell. “ Since we cannot join the family in person, our memories/condolences will have to be expressed in writing. So pleased to hear that Wendell got to have so many of his "bucket list" checked off. One of my fondest memories was when he would visit our farm (age 6 or so) and want to ride a horse. The desire to become bow-legged like a cowboy was the goal. So we'll say "so long Cowboy 'til we meet at the great round-up"

“ Spending a lot of time at the Cathey's as a child (David was my childhood buddy)Wendell was almost like my 2nd "Dad". I'll never forget those times out at the old house in the country, the ski trips, OU games, and "sports talks".

He was a great Father and great man who had a wonderfully way with people.

He will truly be missed.

Our thoughts and prayers are with you all.
