“ *I can't believe this, Rusty called me about a month ago and left a message but no number, that brought back memories and thought about him and his great smile and goofy antics. The man had the cutest tree and would decorate it for each holiday, shame it won't been Easter eggs this time, unless he got rid of it which I doubt. My prayers go ot to his family and friends he will be dearly missed. We worked together at Alcoa, he made break time more fun. Thank you Rusty for being a part of my life, your with your mom and dad now and ya'll probably having a good time. Margaret Markee Lacy*
