Let not your heart be troubled: ye believe in God, believe also in me. 2 - In my fathers house are many mansions: if it were not so, I would have told you. 3 - And if I go and prepare a place for you, I will come again, and receive you unto myself, that where I am, there ye may be also.*

After I graduated from Frisco high school I started to working nights at TI. One night a Gus followed me all the way home. As I pulled into the road to our house I hit the gas and threw gravel all over the guys car. When I pulled into our driveway I sit on my horn and didn't stop until I pulled to the back of the house where my parents bedroom was. I ran in the house and told my dad about the guy who had already pulled into our driveway.

Gerald was a policeman for Frisco so the next night he had police, brothers, brother n laws, and himself stacked out from Plano to our house just in case the guy showed up again. Thanks Gerald Gene for watching out for me. Love and miss you
