“ *I'm so sorry for your loss. Mrs Justus was a wonderful lady. She was an amazing friend to me and one of the reasons I survived college. She was always on fire for God, loved her family and that piano! The first person I saw after the twin towers fell was her and we watched TV and prayed all day. She wouldn't let me leave her, not because she was afraid to be alone, but because she was afraid for me. That's the kind of person she was. She's tickled to be in Heaven, I just know it!!*
