“ *Grover*

There are not enough words to capture the love that we have for you. You opened up your home and your heart to Dennis when he was just a young boy and included all of us along the way. Hearing the stories he told about Grover Townsend and Circle T Ranch was always warm and left you wanting to hear more. When I finally got to meet the man he thought so highly of and loved with all his heart I knew why. Matt and Charley loved going to the ranch and hanging out with their bonus Pa Pa Your guidance has made all that loved you grow into strong men and women You will be greatly missed but never forgotten. You left us with so many memories that we will hold in our hearts forever.

Every time I see cattle grazing; horses standing in the pasture and pecans on the trees I will remember our time on the ranch sitting on the porch capturing it all with one of the greatest men I we ever knew.

Love

“ *Papa:
God called Papa home today we knew that he must leave.*

Let not your hearts be filled with sadness he said, rejoice, for today I am free.

Free from being weary, for my journey is complete.

God put his arms around me and lifted me to rest, heaven is so beautiful, it's nothing but the best.

I will miss you dearly, but I am not alone, for you still are with me the day God called me home.

As you spread your wings Papa please offer us advice, be swift my children do not idle while you liveth, if you seek everlasting life.

Until we meet again Papa, we will hold our heads up high, when our road has reached its end Papa, we will join you in the sky.
