“ *I miss you every day, Dad. Although I should be glad that I was with you in your final moments, I am selfish in the fact that I didn't want you to leave. I wish you were still here. A girl needs her Daddy more than she realized, no matter how she might be.*

“ *I know this is a most difficult time for you and I am so saddened by your loss. My thoughts and deep sincere sympathy are with you. May you find comfort in your fond memories and by knowing that God cares about you personally and will help you through your grief. He says "I have heard your prayers, I have seen your tears" (2 Kings 20:5). Then the promise is given that "the righteous will possess the earth, and they will live forever on it."(Ps.37:29) We can be assured of this because "God, who cannot lie..." has promised this (Titus 1:20).
