“ I am Harold's first son Robert I miss my dad and wish he would have been in my life more. Harold visited his family in Durant I wish he would have visited me more I lived with him part of high school and enjoyed it but I needed him while I was growing up. I have a part of me that is missing and will never be filled and I wish he would have gone to my wedding and visited when my children were born and when they graduated. That is the last memories I have of him. I never held it against him but my children needed a grandfather. They never really knew him. I will be the father that they deserve and not one that misses the important moments in their lives. I wish he would have been a better father to me. I loved him although he had many faults. I wish they would have put my correct name in the obituary instead of my nickname I haven't used since I was very young. Please forgive me for writing this but I needed to get this off my chest it has bothered me for years

“ My uncle Bud loved Harold very much. Harold was a good friend to Bud, Bud would say " He makes me crazy but I can't help but love him," I always made a point of taking Bud and my mom Jo Ann to visit Harold when we were in town. I loved Harold's smile and his stories about my Dad Jr.. Jessie would often visit as well. You are a good man Harold. You will continue to live in me as does my uncle Bud. Love, Kenny Reynolds
