Durant, OK- Harold Mitchell Wright was born Saturday, June 12th, 1943 in Durant, Oklahoma to Orman Wright and Cathryn Alice (Mitchell) Wright. He departed this life on Sunday, June 26th, 2022 at the age of 79.

Harold grew up and graduated from Durant High School in 1961. He attended Southeastern State College, before going to Southern School of Optometry in Memphis, Tennessee from 1965-1968. After Harold became a licensed optometrist, he enlisted in the United States Air Force for two years specializing in optometry. After a short stint with the military, he worked with his uncle, Joe Wright, in 1970 at Denton, Texas. Dr. Wright and his good friend, Dr. Logan Beard, practiced together for a few years when Harold first moved to Madill, Oklahoma and then opened his own practice in 1974. He also had locations in Durant for fifteen years and in Tishomingo. All together he practiced Optometry for almost 50 years. Throughout his career, he had a passion of caring for his patients. For many years, he would travel with his eyecare equipment to nursing homes in the area and examine the eyes of residents at no charge.

Dr. Wright was very giving and would give the shirt off of his back to anyone in need. His practice in Madill gave eyeglasses to children at a local church and as a member of the Lion's club he was very instrumental in helping with glasses to underprivileged children. Harold was very influential in giving

advice to his brother or anyone he came in contact with. Harold loved fast, strong race cars and racing cars. He acquired and owned many collectible Dodges and Plymouths. His favorite season was Christmas time so he can arrange many decorations and display countless lights throughout his home inside and out. Harold was a member of the First United Methodist Church in Madill and would later join the First Presbyterian Church in Durant.

Harold was preceded in death by his parents; and son, Todd Wright in 1995.

“ *Having know Harold from the first day he started to school at Washington Irving, he was a loyal member of the DHS Class of 1961 and I recall he really enjoyed riding on our float at our 50th Class Reunion. It goes without saying he did enjoy cars.*

I lived just down the street from Harold and his parents did not allow him to smoke (yes- Harold would enjoy a smoke occasionally) and in High School, nearly every night around 10PM I would see him drive his 1955 or 1956 Crown Ford Victoria around the block, just have a final smoke (ha).

Harold has always been a kind and sincere person and a friend to all .

RIP my HS friend.

I became acquainted with Doc a few years ago through his wife Shirley working at Medical Center Pharmacy. He always said to me Pam how are you doing every single time he came in the door. He was very kind and full of compassion for others. He always had a smile every time he entered the door. He will be missed by all of those that knew him.
