“ *Harriette and I met at one of the most difficult times of both of our lives. We quickly became good friends . She was kind , generous and loyal. We talked a lot about our children and she never failed to praise her children Kim and Brad. She was so very proud of you both! Soon grandchildren came into the picture and you could see the light that filled her face when she spoke of them. You're families filled her with happiness . I know the loss of your mom is one of the most difficult things to go thru. Brad and Kim you have my deepest sympathy . I am so very sorry for your loss. She was a wonderful person. I will always miss our conversations and friendship .*

Sincerely

“ I have many fond memories of Harriette. We worked together for many years in the bookkeeping department at Keller State Bank and she was my boss at the branch when Frost Bank took us over. She was a very intelligent, talented and resourceful person. Aside from being coworkers, we spent many hours together through the years making crafts, going to movies, etc. My favorite memory was making buttermilk pralines, fudge and divinity candy at Christmas time, many years ago. Besides being a wonderful cook, she also was a fabulous gardener with a lawn full of beautiful plants and flowers. Her home was always welcoming with pretty furnishings, paintings and antiques.

In closing, one thing I know, if you wanted to see her face light up, just ask her about her family. She loved you so much and was so proud of everyone of you.
