“ *My daughter and I witnessed the accident that took Harry's life. We prayed for him at the roadside moments after the accident. God be with you Harry, and you with Him.*

“ *Maria,*

*We will miss Bud at the Three Valley Motorcycle Club meetings and on our rides. He was a joy to be around. You never saw him that he did not say something about his Mom. He loved you dearly. You will miss him dearly, and so will we. May God Bless you and comfort you during this time.*

*From all of us at Three Valley Motorcycle Club.*
