“ *Our prayers are with you, Jeani, and the rest of the family. We know that Edwin was walking with our Lord and Savior. We will continue praying for you all in your time of mourning. Wish we could be there with you but know that we are in spirit.*

Verlan and Brenda

Walking home from school today past the old junior high memories came flooding back of Edwin. My life is better because Edwin was a part of it.

“ *I met Edwin at McDonalds a few years back when they allowed me to join the coffee group. I grew to love and respect him very much. As I recall he laughed more than he talked but when he said something it was always very intelligent. You just knew he was a well educated man. He will be greatly missed in our coffee group. Mary God richly bless and minister to his family.*

“ The best bus driver ever! When I was in the 3rd grade, I had had surgery over the summer and couldn't take any chance of falling. A true doctor's note said no running or jumping for a year. Mr. Percy always made sure I had someone on all sides of me if there was icy or snowy weather to protect me from falling. Having grown up with all of you through church, he and I started calling each other "Ornery"; a game we played every time we saw each other--to see who would beat the other one to say "Hi, Ornery!". He always had a hug for me, too.

My prayers and thoughts are with each of you during this time. My hugs and love are with you, too. God bless you always!

Love ya'll,
