“ So sorry for the passing of Helen. I did not know her well, but will always remember her infectious laugh. When we ran into them at restaurants, you could hear her happy laugh that would brighten everyone's day. Also hearing about Helen, Becky and Faye's Dallas shopping sprees was a treat.

“ I have a number of wonderful aunts, and Helen was definitely one of my favorites. Her laugh could set off a storm of laughter and her cooking was always to die for. A visit from Willie and Helen was like having celebrities visit - they traveled to exotic places and did things we could only dream about.

May Willie and Helen now rest happily ever after together. Thank you for the wonderful memories.

Love to Tammy and Steven, I know this is hard. You are lucky to have had them while you did. And I thank you for taking such good care of them in their final years.
