“ *My deepest sympathy to Helen's family, This will be a valley in your lift but, you will come though it. Helen was always so sweet, the day I finally meant her she thought my name was PJ (CJ) she always asked about me and my husband Craig. Penny would tell us some great stories especially the one about Grandpa dying twice on the Walton's.... It was a rerun! I cant remember the last time I laughed and had a tear in my heart all at the same time. Dementia is a terrible disease that robs the mind of those we love. Penny, your a champ for taking such great care of your Mom for almost 12 years, I know there is a special pace in heaven for you. May God bless you and your family during this time. I'm always here for you. Helen I hope you and your husband are playing golf of the golden courses of Heaven.*
