“ *I just learned of the passing of my Aunt Red, the last of my aunts born Murrays in this world. Dear cousin Phyllis and family, I send you prayers and my love at this difficult time. It is so hard to lose someone so dear and so loved, but it remains a joy to know that you were loved by her and were able to share your love and lives with her. Her life with you never ceases as long as you continue to love and share that Grace with others. I light a candle in western Nebraska this very early morning for my Aunt Inez.*

“ *When we were kids, we didn't really know her first name, she was just Aunt Red, my favorite aunt.*
