“ *Roberta, I was saddened to see the notice of Jackie's death in the paper today. My prayers are with you at this time. It seems that our family gets smaller as time passes. (I guess that is inevitable) I'm sure that you and your sons have many pleasant memories to help fill that void. I wish that I could have made the services but I'm sure you understand.*

*Sister and I both send our love to you,
Judy*
