“ I have gotten to know Jackie really well over the last 3 years. I was blessed to be able to marry his daughter last October. He was such a amazing guy and his smile was contagious. He would make you just as happy as you made him. I saw the effect he made on nurses and people who didnt know him long, but the memories and his laughter will last a lifetime. I love ya buddy. Just know your baby girl is in good hands and until i see you again, rest easy.
