I remember living in Bennington down the road from Jake! My brother Ray and him played together fun times and wonderful memories of long time ago. Fly high Jake I know you and Ray are having a good time in Heaven together!!!

“ *Jake was always one of my favorite people. He lived just down the road from us and was one of the few people my dad would let me go uptown with on the weekends because he trusted Jake. I'll never forget our art class we had together in college. Neither of us were very good at drawing, but we sure knew how to keep the professor laughing so that ended up helping our grade.*
