“ *Ceasar was a great guy. We met him through a family member not long after moving here from Tx. He always said hello, and asked about my husband and kids whenever we saw each other. He always talked to Dale (even after his wreck, which many moved on without him) during the many football games we all watched for Cash and Cody. Seeing the love and devotion to his wife during those years was inspiring, and it touched me do much. Sending love and prayers of comfort for the family.*
