“ *I really enjoyed talking to you back in December. We hadn't spoken since way back in auto mechanics class. That class was so much fun. Thanks for coming to my rescue when I locked my keys in my car and the key to your car just happened to open my car door. Rest in peace my friend.*

This saddens my heart, but I'm glad that you have found peace. I would have loved to hug your neck one last time, but it was not to be. Rest In Peace, neighbor. Say hello to Jeffrey. 😭
